

## Specialty Leasing 2018 Program

Our Specialty Leasing Program opens the doors to a dynamic retail opportunity with low start-up costs and no long-term commitments. It's the chance to get your trendy, unique, impulse products or services onto one of our merchandise retail units, those small carts located in high traffic locations in our Shopping Centre.

Move seasonal merchandise, test new markets and retail concepts. Low risk, short-term commitment and potential returns are something to talk about!

Experienced Specialty Leasing Managers work closely with National, Regional, Independent and First-time retailers to help build successful retail businesses within Ivanhoe Cambridge Centres. They can also provide retailers with the right resources, products and displays for merchandising their temporary locations.

Specialty Leasing is all about creating and establishing possibilities for our customers, you the retailer, by providing innovative retailing venues and merchandising methods for success in today's retail environment.

We have an opportunity waiting for you at Conestoga Mall.
